Montauk is known as the sport fishing capital of the world, a fact reflected on the menus of the renowned Sea Grille Restaurant. Three beautifully appointed, oceanfront dining rooms offer international selections with the emphasis on morning-caught fish, locally harvested shellfish, farmers organic produce and regional specialties such as Long Island Duck.

Warm weather announces the opening of our Riviera Patio, Port 'o Call and Lido Decks. The perfect locations for sophisticated luncheons, cocktail parties and private dinners like our famous Montauk Lobster Bake or Long Island Wine Dinner.
